

## ARTRIN - SOAP

Natural glycerin soap containing herbal extracts, pure essential oils and thermal water from the Podhajska hot spring.

### Harmonizing body:

- soothing, relaxing, cooling internally
- may be used in wet eczema skin care
- maintains natural moistness of the skin, suitable for dry skin
- accelerates penetration of metabolites (salts) through the skin; this is usable in cases of gout and other metabolic disorders

### Harmonizing mind:

- ideal prior to rest and relaxation, slows down and intensifies emotional experience
